

Correction

Effects of Hydration on Steric and Electric Charge-Induced Interstitial Volume Exclusion—a Model. Øien AH, Justad SR, Tenstad O, and Wiig H. *Biophys.J.* 105(5): 1276–1284.

Upon reexamining the published paper; the authors have discovered an error in equation 8 as follows:

$$v_{EOG}(z) = \left(\frac{4\pi}{3}\right) \left(d_1^3 n_1(z) + \left(\frac{(d_1 + d_3)}{2}\right)^3 n_3^{\text{eff}}(z) + \left(\frac{H(z) + d_1}{2}\right)^3 n_2(z) \right). \quad (8)$$

The correct expression should be written:

$$v_{EOG}(z) = \left(\frac{4\pi}{3}\right) \left(d_1^3 n_1(z) + \left(\frac{(d_1 + d_3)}{2}\right)^3 n_3^{\text{eff}}(z) + \left(\frac{2H(z) + d_1}{2}\right)^3 n_2(z) \right).$$
